

BULLET TRADING PROGRAM

This program is exclusive for Private and Corporate/Institutional Clients as well as Asset Managers.

GENERAL DESCRIPTION (Cash Clients):

- Trading transactions are arranged on the Swiss Banking Platform
- We accept fund amounts from USD \$2m (1,5m Euro) or more. (Other major currencies are welcomed). Special consideration will be made for others amounts, but please contact us specifically for your request.
- We instruct clients to transfer funds to a Top rated Swiss Bank, into a new account in the name of the client only with complete control and sole signatory ability.
- We do not accept any transfer, SWIFT or otherwise on the capital side required.
- There is no blocked funds during the period of trading.
- Clients can have trading stop in certain cases and with prior notice. The client can also withdrawal his funds.
- Profits can be paid weekly or monthly, and can be written in as requested in the trading contract. Monthly is preferred.
- The trading time period is 12 months, and can be renewed with prior notice and request
- Multiple accounts for parallel trading are allowed upon request
- Profits are historically around 40% per month and higher and based on the best effort from the trader.

GENERAL PROCEDURE:

Step 1: Forms and Documentation needed:

- Client Information Sheet (CIS), only on required format
- Clients Passport copy (color copy preferred)
- Letter of Request/Intent (LOI)
- Proof of Funds- Bank Statement/Tear Sheet

Step 2: Due Diligence

- Full Due Diligence will be performed on the Client and Funds presented
- This may included a compliance call between the Client and the trader`s representative.

Step 3: Account, Banking, and Trading Begins

- The Trading Manager will provide and detail a prospectus of the trading fund.
- The Trading Manager will provide to the client a clear Trading Contract.
- Once the Trading contract is reviewed and signed, a new Bank account will be opened for the Client.
- The Client then transfers funds to his "own account" and within 3 normal banking/business days of notification
- The trading program starts approximately 7-10 days after the funds are received in the new account and the first profit payment in approximately 4 weeks.
